CALLING GOD'S PEOPLE TOGETHER

Thursday, May 1, thousands across America will join in **strategic, united intercession** on the **National Day of Prayer**.

You're invited to a special gathering **right here in our community** as local leaders, pastors, families, businesspeople, and neighbors from all walks of life come together in a **powerful hour of worship, thanksgiving, and intercession**.

DETAILS:

- Thursday, May 1 | 11:30 AM - 12:30 PM
- OneWay Ministry Center | 495 N Commons Drive, Aurora, IL 60504
- Lunch provided! **RSVP to owm.org/ndop**

Jesus prayed that we “*would be one ... so that the world may believe.*” Let's come **together** to lift up His name, honor those who serve, pray for our leaders, and boldly ask God to **pour out His Spirit across the United States of America**.

Because prayer is not our last resort — **it's our first response**.
